On Saturday, June 15, 2013, Alemtsehay Breast Cancer Foundation (ABCF) in Atlanta is established.

Alemtsehay Breast Cancer Foundation (ABCF) is a nonprofit organization dedicated to help Ethiopian women worldwide who are burdened with financial need and strives to accomplish the following:

1. Encourage Ethiopian women to access available services for breast cancer screening, diagnosis, and treatment in their community;
2. Establish support groups for cancer patients, survivors and their families;
3. Guide Ethiopian women to optimal health through increased awareness about breast cancer;
4. Network with other organizations in the community to make them aware about the prevalence of breast cancer among Ethiopian women and seek help to alleviate their burden in obtaining screening and treatment services; in their community.
5. Encourage and collaborate with breast cancer researchers in the U.S. to include and identify Ethiopian population in their surveys.
